NERVOUS PEOPLE
MADE CHEERFUL

Worn-out, Irritable, Despondent Men and Women Should Try This Treatment.

It is impossible to have thin, impure blood and strong, healthy nerves and muscles. Instead, every part of the body becomes weak. The stomach fails in strength and the appetite becomes poor. The body does not obtain enough nourishment from the food and is actually starved. Soon the nerves begin to complain and the person becomes irritable, despondent, worn-out and nervous. For a time there may be no sickness, only a general run-down, weak state, but there is no real defence against disease, and from such a condition spring numerous disorders, as rheumatism, severe nervous diseases, stomach trouble, anaemia and chronic headaches.

Mrs. H. J. Bradford, of No. 1514 Spurgeon street, Santa Ana, Calif., says: "A few years ago I began to lose flesh rapidly until I weighed only about 100 pounds. Before this I had always been well and quite fleshy. I also became very nervous and would lie awake all night long. I had frequent crying spells which I could not seem to help and which the least little thing would bring on. Excitement or noise made me very nervous. I had a craving for sour things but my appetite was variable. At times I would feel very well but this would be only when I kept very quiet at home for a long time. The doctor pronounced my trouble neurasthenia or nervous debility. I was under his care for over two years. Sometimes he would treat me regularly and then he might not have to call for over two months. I did not get well under his treatment and was finally advised to try Dr. Williams' Pink Pills for Pale People by a friend who had used them for nervousness. After taking a few boxes of the pills I could sleep better and I began to improve gradually until I was cured. I haven't been troubled with nervousness in some years and consider the benefit I received from Dr. Williams' Pink Pills to be wonderful."

Send today for a copy of our booklet, "Diseases of the Nervous System." It is free upon a postal card request. Dr. Williams' Pink Pills are sold by all druggists, or will be sent, postpaid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Company, Schenectady, N. Y.

The exhibit will remain here several days of next week. One or two lantern picture lectures will be given at night. Everybody is invited free of charge.

BABY FALLS FROM
LANAI AND IS KILLED

As the result of a fall from the second lanai of the Magoon Block to the street below, Keoho Naima, the infant daughter of a teamster in the employ of Hustace-Peck, fractured her skull and died a few hours later at the Queen's hospital.

The accident happened yesterday morning. The baby's older sister had left their home on Hustace lane to pay a visit to an aunt residing in the Magoon block. When the girl put the baby down it crawled over to the edge of the lanai, lost its balance and fell to the street below, receiving the injuries which caused its death.

THUG LEADER
OF JAPANESE
FINALLY CAUGHT

[Special Correspondence, Star-Bulletin.]
HILO, July 8.—Harada Suiki, one of a band of five desperate thugs who have been terrorizing the Japanese of this island, lies in the jail pending investigation, while another Japanese named Sumi with two knife holes in him, is lying at one of the Japanese hotels expecting to die at any moment as the result of a savage attack made on him by Suiki during a gambling game last night.

It appears that with some others the two men were gambling at the hotel when a row started and Suiki drew an ugly looking dagger and drove it twice into Sumi. The first blow the latter ward off his body, receiving the blade in his arm, but the second went deep into his side.

Word of the affair reached the police; although the Japanese concerned tried to keep it quiet, Captain Silva immediately placed Suiki under arrest and sent for a doctor to examine the other man.

So serious is the victim's condition that Deputy Sheriff Martin will take his dying depositions during the day, as it is thought a charge of murder will be brought against Suiki. The assailant is one of a desperate band of five so-called "Thugs" who have been terrorizing the Japanese of the island for a long time. Their custom is to present themselves before a Japanese and then threaten to cut themselves about the arm or other part of their body unless he comes through with \$50 or \$100.

Suiki's arms and body are covered with scars testifying that he found business good throughout the island. The other four are scattered about the island and a close watch is to be kept on them as it is thought they may start a hold-up campaign in order to get sufficient money to pay for an attorney to defend Suiki. The local Japanese are very much pleased to hear of Suiki's arrest.

CAUSE FOR ALARM

Loss of Appetite or Distress After Eating a Symptom That Should Not Be Disregarded.

Appetite is just a natural desire for food. Loss of appetite or stomach distress after eating indicate indigestion or dyspepsia. Over-eating is a habit very dangerous to a person's good general health.

It is not what you eat but what you digest and assimilate that does you good. Some of the strongest, heaviest, and healthiest persons are moderate eaters.

There is nothing that will cause more trouble than a disordered stomach, and many people daily contract serious maladies simply through disregard or abuse of the stomach.

We urge all in Honolulu who suffer from any stomach derangement, indigestion, or dyspepsia, whether acute or chronic, to try Rexall's Dyspepsia Tablets, with the distinct understanding that we will refund their money without question or formality, if after reasonable use of this medicine they are not perfectly satisfied with the results. We recommend them to our customers every day, and have yet to hear of any one who has not been benefited by them. We honestly believe them to be without equal. They give very prompt relief, aiding to neutralize the gastric juices, strengthen the digestive organs, to regulate the bowels, and thus to promote perfect nutrition, and eradicate all unhealthy symptoms.

We urge you to try a 25c. box of Rexall's Dyspepsia Tablets, which gives 15 days' treatment. At the end of that time your money will be returned to you if you are not satisfied. Of course, in chronic cases length of treatment varies. For such cases, we have two larger sizes, which sell for 50c. and \$1.00. Remember, you can obtain Rexall Remedies in this community only at our store — The Rexall Store, Benson, Smith & Co., Ltd., Fort and Hotel streets.

DILLON NOT BLAMED
FOR DEATH OF
DE BRETTEVILLE

Following an investigation conducted before the Coroner's jury last night, that body brought in a verdict clearing J. P. Dillon from blame for the death of Paul de Bretteville, who received injuries resulting in his death under the wheels of Dillon's auto early Sunday morning.

The testimony of witnesses was unanimous that Dillon was on the right side, and de Bretteville on the wrong side of the street when the accident occurred.

According to the evidence presented, de Bretteville lost control of his bicycle as the auto approached, and after turning toward the curb, swerved out again and into the machine. The physicians who attended the injured youth stated that they found him suffering from a widely extended fracture of the skull which was necessarily fatal.

The charge to the effect that the police had permitted the injured youth to lie on the ground 20 minutes after the ambulance arrived, before they took him to the hospital, was not sustained by witnesses, who stated that de Bretteville was placed in the ambulance immediately upon its arrival, and that no time was lost in removing him to the hospital.
